

**Product: Catafalque Frame**  
**Cat.-No.: MA-1322**

## Catafalque Frame

**Sturdy and solid stainless steel frame for bier room and funeral services**

**Type: 1322.1**

### Description

Catafalque frames are used for easy and fast presentation of a body to relatives. After the Universal Transporter was driven into the frame, the body will be decorated in a very nice manner so it looks like the body would lay in a coffin

### Features

The mobile U-shaped frame is manufactured from stainless steel 40 x 40mm frame works. It has 4 castors (120mm dia.) with locks.

The outside is covered with heavy velvet of black or blue colour.

The handle is detachable after the decoration has been done.

### Technical Data

Material: stainless steel EN/DIN 1.4301 (AISI 316) double polished for all parts. Curtain made from heavy velvet.

Castors: hospital quality with locks

Dimensions: 2010(L) x 750(W) x 800(H)mm

Handle height: 900mm

Weight: 48kgs

### Country of Origin

Manufactured by MEDIS MT GmbH in Germany acc. to EN and German norms and the health & safety regulations of the EC and Germany!
